#### Activity

Anna was faithful and listened to God. After she saw Jesus and His parents in the temple, she wanted to share that the promised Savior had come. She'd carried hope for many years and was now full of joy.

Print page 27. Invite each family member to write inside the words HOPE and JOY, naming ways they can share about Jesus, His birth, and His early days. Punch a hole in the top, thread some yarn/string through, and make a loop. Share these special ornaments with friends and neighbors!
