### FAMILY ACTIVITY

#### Activity

Mary, the mother of Jesus, was very sad when her son died. She was with Jesus at the place where he was killed. As a mother, it was very hard for her to see her son in so much pain. Jesus also cared about His mother and made sure that she would be taken care of after He was gone. Think about someone that you really love and make a special time capsule of things that remind you of them.

#### Supplies

- Container
- Stickers, markers, or paint
- Paper & pen
- Trinkets and photographs

1. Choose a container that will hold all the items that you want to include in the time capsule. A shoebox or plastic container with a lid works well. Decorate the outside of the container with stickers, markers, or paint. Be creative and add personal touches.
2. Write a list of the things you love about this person and about why they are special to you and write a thank you note to God, for putting this person in your life.
3. Choose small items like photographs, a recipe that they make well, or any small toy that reminds you of them.

Treasure your time capsule and open it one day in the far future to be reminded of this special person.

#### PRAYER

HEAVENLY FATHER, THANK YOU FOR THE SPECIAL PEOPLE THAT YOU HAVE PUT IN MY LIFE WHO MAKE MY LIFE FULL OF JOY AND HAPPINESS.
