**Activity**

Mary Magdalene was a close friend of Jesus, and she loved Him dearly. Have you ever had a big responsibility like Mary Magdalene? She was the first person to see Jesus after He came back to life and was tasked to be the first one to share that He is risen! Jesus has a special task for those who know Him. We are asked to take the story of Jesus and tell as many people as we can. There are many ways to do this, and it starts with trying to be like Jesus. To be kind and loving like Jesus. To be the light! Make a lantern craft to serve as a reminder to show the love of Jesus.

1. Cut the tissue paper into small pieces, about 1-inch square.
2. Apply a layer of Mod Podge or glue to the outside of the mason jar using a paintbrush.
3. Stick the tissue paper pieces onto the jar, overlapping them slightly to create a stained-glass effect. Make sure to cover the entire surface of the jar.
4. Apply a second layer of Mod Podge or glue over the tissue paper, making sure to seal all the edges.
5. Let the jar dry completely.
6. Once the jar is dry place a tea light or battery-operated light inside the jar.
