FALL A
Lesson 1

Secure in God's Love

God cares about you.

See 1 Peter 5:7

I want my child to know that God's care is shown through the loving people in our lives. We look at pictures on my digital camera, the computer or pictures I've put on our refrigerator. I say, **Let's count all the people God has given to love you.** We count and name them. We also used the pictures as a prayer list, naming each person in prayer at bedtime.

Try This:

Join your child when she takes care of her baby dolls. Watch her for a moment, and then say, **You take good care of your baby because you love her. God takes care of you because He loves you, too.**
