FALL A
Lesson 3

God's Good Care

I thank and praise you, God.

Daniel 2:23

Take a walk on a path and take pictures of nature items and the path. Notice how the path curves to the right or left. Look behind you and see where you've been. Look ahead and guess where the path might go. Say, **In the Bible, God took care of His people on their path. God cares for us.** At home, look at the pictures together and talk about your trip on the path.

Try This:

At mealtimes, our family talks about our day. I might say, **I'm glad God takes care of me.** Then each person takes a turn finishing this prayer, **Thank You, God, for . . .**
