Lesson 5

Growing Up

I love the Lord.

Psalm 116:1

Some of my favorite times with my child have been when we look at pictures of him at different stages of his life and I tell stories about each picture. One of his favorites is the “Birthday Show.” I put together pictures of the day of his birth and each of his birthdays on the computer and together we watch the slideshow and talk about how he is growing up. I tell him, **I love the Lord who gave you to me. I hope you are learning to love God, too.**

Try This:

At bedtime, my child and I take turns saying a sentence, praying to God. I may say, **I love You**, Lord and my child may repeat that or pray his own sentence. Then I take a turn, and he takes a turn. When we’re done, we both say, “Amen” together.
