Lesson 8

## Teaching Obedience

*We must obey God.*

Acts 5:29

I want my kids to know that obedience is good for them. I often say, **Good things happen to girls and boys who follow directions.** When I tell my child to pick up his toys, and he finishes, I say, **Thank you for obeying. Now you may play outside** or something else he would like. When I tell him to hold my hand when we are in the parking lot, I say, **When you obey, you stay safe.**

### Try This:

Because children are still learning, there will always be times when they don't obey. What to do then? Each child is different. With one, a stern glance is enough. Another child may need a short time-out. Ask God for the wisdom to know how to help your child best learn obedience.
