Lesson 9

## Kids Can Help

*With love, help each other.*  
See Galatians 5:13

I look for ways my preschooler can be a helper throughout the day. When we get back from the store, I give her an easy-to-carry bag of groceries to take in. I ask her to collect the towels in the bathroom and bring them to the laundry room. When my preschooler has been a good helper with a good attitude, I say, **You are the best helper with love in your heart!** and give her a sticker that she wears with pride.

### Try This:

When my preschooler helps feed our pets and give them water, I tell her she's like the boy David in the Bible who helped his family by caring for the sheep. I say, **I'm glad you're part of our family: You're a great helper in our family.**
