Lesson 10

Doing Good

Do not forget to do good.
Hebrews 13:16

My preschooler occasionally enjoys packing a special snack pack for family members for when they get home. He decorates a paper sack and copies the words “Made with Love.” We select some of each person’s favorite treats to put inside. My preschooler draws a picture and dictates a message, which I write out. Each person is always pleased to get the treats after a long day away from home. I tell my preschooler, **You do good in our family.**

Try This:

One week, we put a star on a piece of paper every time someone in our family did something good for someone else. At the end of the week, we counted all the stars and celebrated with a special ice cream treat for all the good that was done by everyone in the family.
