SPRING C  
Lesson 7

## You Are Invited

***“Here I am! I stand at the door and knock. If anyone hears my voice and opens the door, I will come in and eat with that person, and they with me.”***

Revelation 3:20

Do you know that your kids have accepted God’s invitation to join His family? Read Revelation 3:20 with your kids. Talk about what it would be like if someone came to your door with a million-dollar gift—but you decided to ignore the knock. The gift Jesus is offering them is far more valuable!

Help them understand what we do to receive this gift: invite them to tell you what they think it means to be part of His family. Talk about agreeing with God that we are sinners, believing that Jesus died on the cross to take the punishment for our sins, and then confessing those sins to God and asking Him to forgive and make them a part of His family. Talk about what a healthy family does: unconditionally loving and supporting, helping out for a common purpose, contributing to help the family be better and happier, praying for each other.

### Try This:

When my kids were very young, they each let me know when they wanted to join God’s family and follow Jesus. But as they grew older, I would periodically ask them, “How is someone saved?” When they were vague or talked more about going to church and being good, I would help them remember that salvation is a free gift we receive from God. He can give us salvation because Jesus took our punishment on the cross so that we could be forgiven. We can never earn salvation. What we do as part of His family is the way we show we love Him, follow Him and want to become more like Him in our attitudes and actions.
