## Great Love

*God's love for us is great.*  
See 1 John 3:1

Sometimes I'm overwhelmed with the powerful love I have for my children. I can't begin to imagine how great God's love is for my kids and me! As these years speed by, I want to lead them toward God and His love every day. When I wake up, I stop to ask God to help me see and hear and know what to do. Throughout the day, I look for ways to tell and show God's love in ways that my kids understand. My prayer is that I not get weary or slack off—but I'm so glad that it doesn't all depend on me! I can rest in God as I trust Him to keep drawing them to Himself by His great love.

### Try This:

As my preschooler passes near me in the house, I often reach out and hug or tickle her while I say, "Love you!" Because I do this often, she sometimes comes past me and does the same. When she does, I give her a quick squeeze and say, "Love you back!" Whenever we do this at bedtime, I always like to tell her, **God reaches out to show He loves us, too.**
