SPRING A
Lesson 6

Fear or Faith?

“Be strong and courageous. Do not be afraid; do not be discouraged; for the Lord your God will be with you wherever you go”

Joshua 1:9

Whenever we finish watching a movie together that had a tense or scary situation, I ask my kids, **Would you have been afraid in that situation?** I share my feelings, too. We imagine other ways the situation might have been different if the person in the story had trusted God. Then we think about situations in our own lives. **What difference do you think our faith in God make in this situation? What difference do you think will it make in ten years? Forever?**

Try This:

Our family chooses a Bible verse to memorize together every year. One year, we chose to memorize Joshua 1:9. We’d review it together in the car from time to time, and then repeat it aloud together when faced with a variety of surprising events—it’s a good reminder to all of us that God is bigger than our scariest situation!
