SUMMER C
Lesson 11

Walking on Water for You

“Do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand.”

Isaiah 41:10

Have you ever wished you could have been with Jesus when He lived on Earth? One time at supper, I asked my kids to share what event they'd most liked to have seen live. Wouldn't it have been amazing to be in the boat in the middle of the lake when Jesus walked out to it? I asked my kids how they might have felt. The disciples were terrified—but once they realized it was Jesus with them, they were OK. We each shared something that scares or worries us. Then we thought about Jesus walking right to us where we are, telling us, “Take courage! Don't be afraid,” because He IS with us. One of my kids stated a truth: “In a way, Jesus walks on water to be with us right where we are, every day!”

Try This:

When my kids wonder about what miracles are happening now that are like the ones in the Bible, we get out our prayer journals. In them, we have recorded answers to prayers we have prayed and details about the supernatural ways God has worked in our lives. Looking back at the amazing things He has done for us gets us energized and reminds us that God is still doing miracles!
