Lesson 5

See the Love

Love the Lord your God.
Matthew 22:37

Who do you think of when you picture someone who loves God? I wonder, *Would my kids think of me?* Do they see me reading God's Word, doing things that are right, things that please God? I try to help my preschooler connect his actions to expressing his love for God. When I see him act kindly, share or forgive I say, **Being kind to others is a way to show you love God. The Bible tells us to be kind. You are obeying God!**

Try This:

At bedtime, I found and read the story of Daniel and his three friends showing their love for God by doing what was right. Even when the king got angry, they obeyed God's rules. We each held up a hand and together came up with five ways to obey God, one for each finger. **Each of those is way we could show we love God.**
