SUMMER A
Lesson 4

There Is Only One

There is . . . one Lord, one faith, one baptism; one God and Father of all, who is over all and through all and in all.

Ephesians 4:4-6

When we're on vacation, we like to find a nearby church to attend. It always promotes a good discussion with our kids about how other believers all over the world are meeting together to worship, learn God's ways and encourage one another just as we do at our home church. It's also an interesting springboard for discussion to analyze the way these other believers responded to us as strangers. It helps us think of ways we can show love to strangers we meet so that they can experience God's love through us.

Try This:

We did a search online for the "spread of Christianity" and found maps that showed the routes the believers in the Early Church took as they scattered away from Jerusalem and the persecution there to share the good news of Jesus. It was a great companion for us as we read in the Book of Acts about what happened in those places—the stories became real-life history to our kids!
