Lesson 4

## Praise to Jesus

*I will praise you, Lord.*

2 Samuel 22:50

The wise men followed the star to where Jesus was, and they worshipped Him there. To teach my preschooler words to worship Jesus, I did a few activities of with six items, one for each word of 2 Samuel 22:50. I set out six blocks and showed him how to toss them one at a time in a bucket, saying one word with each toss. We put six pillows on the floor and said one word with each step on a different pillow. Then we clapped on each of the first five words and put our hands in the air on the last one.

### Try This:

One night I attached a paper star on the ceiling in my preschooler's bedroom. After we read the Bible story about the Wise Men following the star to find Jesus, we turned out the lights and I gave a flashlight to my child, who searched the ceiling until she found the star. Then we sang together, "Twinkle, Twinkle Little Star" and retold the story about the wise men.
