WINTER A
Lesson 13

How to Serve

Serve one another humbly in love.

Galatians 5:13

Jesus said the way to be great is to serve others. I want my kids to grow up to be great men and women. That means I need to show them now how to do that—by learning to think about others. While I'm busy preparing a meal, I give my preschooler some paper and crayons to make thank you cards for people in his life. He draws and colors. Then he dictates to me a message that I write on the card. I help him mail the cards or hand-deliver them. I tell him, **When you make someone feel special, you show how you love God!**

Try This:

At bedtime, I find the story in my child's Bible storybook when Jesus brought a child in the middle of the group and told the adults to be great you must be like a little child, and not think you're better than others. We pray, **Jesus, help us to be kind and helpful to others.**
