WINTER A
Lesson 3

Christmas Beginnings

*In the beginning was the Word, and the Word was with God.
The Word became flesh and made his dwelling among us.*

John 1:1,14

Do you remember your beginning as a child of God when you became part of God's family? Has your child done that yet? The Christmas season is a great time to share these stories of the beginning and to ask family members to share. Record these stories when your family is together celebrating Christmas and replay them for your kids over the years so they can know how Jesus impacts your family. You may even find opportunities to pray with a family member who would like to join God's family.

Try This:
