WINTER A
Lesson 4

A Person We Can Trust

Through [Jesus] all things were made; without him nothing was made that has been made. In him was life.

John 1:3-4

I want my kids to grow up with an understanding of the greatness of Jesus, and not to take Him for granted. I want them to realize they can trust Him in all things. So at a mealtime, we talk about our faith. **How much faith would you need that you will get to school on time tomorrow? How much faith would you need that your parents will give you a car at your high school graduation? How much faith would you need that you will be the first person to walk on Mars?** Some things we would put more trust in than others; some things we are pretty sure will happen; some we strongly doubt. I say, **We can be sure that we can trust in Jesus to love us and keep His promises in any circumstance.**

Try This:

Challenge your kids to read Hebrews 11 to see how many names they recognize. This chapter describes people who lived long before Jesus, who had never met Him, yet knew He would come one day. Look at each person's life and note who that person had faith in and what the result was. Let your kids share who they have faith in and what they expect the results to be.
