WINTER A
Lesson 11

Kids as Leaders

***Let your light shine before others, that they may see
your good deeds and glorify your Father in heaven.***

Matthew 5:16

What leadership qualities do you see in your kids? How do they influence their friends? Even keeping a friend from doing something wrong is leading them in a better way. As I send my kids off to school, I let them know that they will have opportunities through the day to be a leader by making good choices and encouraging their friends to do so as well.

Try This:

We turn on our lights earlier in the winter time. Evenings feel so short and we're all ready for bed earlier because it seems later than it is. In our evening Bible reading and prayer times, we pray to be the "salt and light" to our friends that Jesus told us to be. We each take turns praying for one or two specific friends.
