

♥ FAITH & FAMILY

CARE & SHARE

As a family, decide what things God has given you that you can share with others. You may want to choose some clothes and toys to share with others. Or select canned food and nonperishable items. Pack these items in a box or large sack. If possible, go as a family and deliver the items to a family or to your church or neighborhood's food pantry.

FAMILY CREATIONS

Provide supplies to make thank-you cards for family members, teachers, and others. Talk about the

importance of saying thank you to people who love you, care for you, and teach you.

Make simple treats to give with the cards you have made. Then mail the cards or deliver them in person.

LOOK IN THE BOOK

Read together portions of this week's Bible story from Exodus 16:1–17:7 and Numbers 11:7-9. Remember, **God gives us what we need.**
