Family Connections

A quarterly letter for connecting with families of children ages 3 to 6 at <Type your church or children's ministry name here>

Welcome to "Family Connections"—the quarterly newsletter that helps you know what your child is learning from God's Word. Please let us know if we can help you in any way as we partner together to grow kids in Jesus.

Family Thought

Moses and Joshua were chosen by God to be leaders of His people. They taught the people to be obedient to and worship God. You are a chosen leader too—a leader of your family. What are you teaching your children about God?

Coming This Quarter

Units of learning include:
- God Made People
- Moses and God's People
- Joshua and God's People

Family Memory Challenge

Bible verses your child will be learning this quarter include:
- Psalm 139:14
- Psalm 105:1
- Joshua 24:24

Putting words to a simple tune can be fun and aid memorization. Find each unit's verse in a family Bible. Then work together to sing the words to familiar melodies. Sing the Bible verse song while in the car or at mealtimes.

Growing Together

Young children love to explore, so why not create a place where the family can explore together? Find a large plastic tub or designate a sandbox or empty inflatable pool to use as a family discovery center. Fill the container with different mediums: water, sand, foam packing chips, balls, bubble solution. Or use seasonal items, such as leaves, jingle bells, ice or snow, or plastic Easter eggs. You can hide items to find in the container too. Take time to play and laugh together as you dig for treasures. Talk about some of the special senses God gave to people—touch, sight, sound. Thank God that He made a wonderful world in which to live and work and play.
