

Bread to Bread Comparison

Deuteronomy 8:3 says, “Man doth not live by bread only.” Read the entire verse. Do you think it supports or contradicts Jesus’ statement in John 6:35? Write your response in the space below. List additional Scriptures to support your viewpoint.

Jesus Meets My Needs

In the Lord’s Prayer, we pray, “Give us this day our daily bread” (Matthew 6:11). However, daily bread represents more than the physical bread we eat each day. In this petition, we humbly ask God to provide for all our needs: physical, spiritual, emotional, or other. In the space to the right, list things Jesus has provided for you. When finished, take a moment to thank Him for the provision.
