Holy Dwelling

What kind of “dwelling” do you envision yourself as for the Spirit of the Lord? a tent? a log cabin? a cozy cottage? a royal palace?

1. Brainstorm a list of spiritual gifts, personality traits, and talents you have.
2. Consider how the Lord is building those things into a holy dwelling for himself.
3. Draw a picture of your dwelling and label various aspects of your design with the traits and strengths you brainstormed.
