

Power to Be Humble

Lesson 6, 1 Peter 3:1–12, KJV

What I Model

In 1 Peter 3:1–2, the word *conversation* refers not to speaking but to one’s overall conduct, behavior, or attitude. It reflects the adage: “Actions speak louder than words.”

Think about your daily interactions. What does your lifestyle communicate to those around you? Jot down key words or phrases that describe your attitude and habits in different settings.

At home: _____

With friends: _____

At work: _____

On social media: _____

Witnessing to a Watching World

Think of a specific person in your life who has not yet embraced Jesus as Lord and Savior. Write down their name and/or relationship to you.

Brainstorm at least three practical actions or attitudes you might use to influence them for Christ.

- **Action/Attitude 1:** (*examples:* listening patiently, being genuinely kind, maintaining integrity)

- **Action/Attitude 2:** (*examples:* maintaining a positive attitude during challenges, practicing forgiveness, being reliable)

- **Action/Attitude 3:** (*examples:* exercising self-control, showing humility, offering practical help without expecting anything in return)
