So Many Gifts

In each box, write the name of at least one person you know who possesses that gift. Then, write your name alongside any gift(s) God has given to you. Draw a heart next to any gifts that are especially needed in your local community. Finally, write a prayer in which you (1) ask God to help Christians boldly use their gifts for his glory and (2) ask God, in humility, to grant you a gift that you desire, if it be his will.
