Walking in the Light

Write a journal entry about what it means for you to walk in God's light.

Brainstorm:

- What choices or habits help you walk in God's light?
- What places in your life feel dark?
- How might you bring God's light into your conversations?

Share & Compare: Pair up with a classmate and compare your lists. Notice where your ideas are similar and where they're different.

Ask God to help you take one specific step toward walking more fully in his light.
